

HIGH QUALITY AFRICAN HISTORY VIDEO RESOURCES

AE Learning Inc. is a premier provider of historical information on the ancient kingdoms and empires of the African continent. At AE Learning Inc. we are dedicated to producing the highest quality educational materials for our global customer base.

AE Learning Inc. in conjunction with AE Media have developed a series of videos which document for our clients and viewers a detailed presentation of the history of Africa. Our video series focuses on all of the major kingdoms across north, east, west and southern Africa.

The African history videos developed by AE Learning are produced to the highest quality and incorporate information derived from the most recent research into the history of the African continent. Our videos are accessible from our website www.aelearning.net
